

ROCK ISLAND CASE REVERSED

Injunction Favoring Preferred Stockholders Is Upped.

The Appellate Division today reversed a decision of the lower court which granted an injunction to Henry J. Clark and other preferred stockholders of the Rock Island and Des Moines Railway Company in their action against the Bankers' Trust Company.

The trust company won the victory. As trustees of \$10,000,000 worth of bonds of the Rock Island and Des Moines Railway Company, which as parent company is to pay interest on the bonds of the subsidiary company, The Rock Island and Des Moines Railway Company.

Clark and the other preferred stockholders brought suit in the New York state courts on the ground that the Bankers' Trust Company was in conspiracy with the Rock Island to prevent the latter from paying the stockholders of the subsidiary company.

YOU'RE BILIOUS! CLEAN LIVER AND BOWELS TO-NIGHT

Don't stay headachy, sick, or have bad breath and sour stomach.

Wake up feeling fine! Best laxative for men, women and children.

WORK WHILE YOU SLEEP

Enjoy life! Remove the liver and poison which is keeping you all day, your tongue coated, breath offensive and stomach sour. Don't stay bilious, sick, headachy, constipated and full of cold. Why don't you get a box of Cathartic Candy from the drug store and eat one or two to-night and enjoy the nicest, gentlest liver and bowel cleansing you ever experienced? You will wake up feeling fit and fine. Cathartics never give you sick, or cause a headache. They act so gently that you hardly realize you have taken a cathartic. Mothers should give cross, sick, bilious or feverish children a whole box of Cathartic Candy. They act so gently and are harmless.—Adv.

FREE FROM TORTURES OF RHEUMATISM AFTER SUFFERING SEVEN YEARS

Does Own Housework After Being Helpless in Bed Sixteen Months—Joints Were Deformed

READY FOR SHOPPING.

The story of what appears to be a remarkable recovery from chronic rheumatism of the joints after being in pain from the disease for seven years was recently given out for publication by Mrs. L. M. McMillan of 312 Humphrey st., Lowell, Mass. When asked for a statement she said:

"For seven years I have not known a day that I did not have pain. All my joints were afflicted, when I moved my head I could hear and feel grating like there was gravel or sand in my neck. My knees would snap and grate like my neck, they were drawn up so I was unable to straighten them. If I wanted to sit down I would have to literally fall

MITCHELL DENIES SAYING HE WOULDN'T RUN AGAIN

Mayor Declares That Report So Quoting Him Is "Pure Assumption."

Mayor Mitchell denied today that he told Cleveland H. Dodge, Jacob H. Schiff and others he would not become a candidate for re-election next fall. The report denied by the Mayor quotes him as follows in his conversation with Messrs. Dodge, Schiff and others:

"I will not run again. I am tired of the job. Get somebody like Woods (meaning the Police Commissioner) and I will support him."

In denying the statement the Mayor said:

"I said nothing to that effect. His pure assumption, based on nothing more than that Mr. Dodge had a talk with me in my office yesterday. There is nothing new in the Mayor's situation. I told you long ago that I wasn't going to discuss poli-

tics or candidacies until the proper time came. It has not yet arrived and I can't say when it will. In the meantime, all rumors of what I will or will not do may be immediately set down as being all wrong."

"LAW OF COMPENSATION" MIZNER'S CINEMA DRAMA AT LOEW'S NEW YORK

Appearing in the role of three characters—from a maiden in her teens to womanhood, and then motherhood—are the parts played by Norma Talmadge in the Selznick film, "The Law of Compensation," which was shown last night at Loew's New York Theatre. The picture affords Miss Talmadge ample opportunity to display her talent as a photo star.

The story depicts Miss Talmadge graduating from a fashionable college, falling in love and marrying, leaving a widowed father alone in a Western city and coming to New York with her husband. She is saved from the advances of a designing man, a song publisher, who sees an opportunity of making a fortune on her

voice, by the timely arrival of her father.

Wilson Mizner, author of the drama, does not entirely condemn the man, unlike most cinema plays, that usually demand sympathy for the woman.

No alcohol or dangerous drugs.

NUXATED The Power behind the Strong Vigorous Men of IRON

Dr. Ferdinand King, a New York City Physician and Medical Author, says: "There can be no strong, vigorous, iron men nor beautiful, healthy, rosy-cheeked women without Iron-Nuxated Iron taken three times per day after meals will increase the strength and endurance of weak, nervous, run-down folks 100 per cent. in two weeks' time in many instances. Avoid the old forms of metallic iron, which may injure the teeth, corrode the stomach, and thereby do more harm than good. Take only organic iron-Nuxated Iron." It is dispensed in this city by all good druggists.—Adv.
